MELIOR ROSADO

Wine Description

This wine comes from Tempranillo grapes from our vineyards in Cubillas de Santa Marta. It is a young red wine of great aromatic expression, with significant fruit tones, the result of a temperature-controlled fermentation

Tasting Notes

Live cherry red colour, clean and brilliant, with blue hues on the rim. High intense aroma with a wide variety of fruity fragrances such as strawberry, peach, pineapple and black mulberry; with floral hints. It is expressive, reminding the Tempranillo grape. On the palate, it shows a good balance between body and acidity with a strong glycerine content. It has an intense aftertaste, showing renewed flavours of fresh fruit with an extraordinary sensation of volume and a long finish.
