Wine Description

Fresh and floral wine made with 10% of Viura variety and 90% Verdejo. Sleek body and pleasant acidity

Tasting Notes

Sight: stands out its straw-coloured with greenish reflections

Smell: Great potential of tropical fruit in harmony (banana, tropical peach), posy, balms, light aniseeds and vegetables. All well covered by pleasant fresh, clean and clear sensations.

Mouth Feel: Oily, persistent and medium-bodied. Sweet initial taste which quickly turns into fresh and balm sensations. The Verdejo variety can be found at the sumptuous bitter flavour of this wine.
